PROFILE SUMMARY

Getting a mortgage is a frustrating, time consuming process that no one enjoys.

But I can help.

As a local mortgage broker, I work with people to make the mortgage process easy, convenient, and no hassle.

If you are a first time buyer, I can help you become comfortable with the process, answering questions and helping you maximize your down payment and other funds.

If you are looking to buy a second home, or move neighborhoods, I can explain your options for keeping your current residence, or show you how to coordinate the sale and purchase of your new home.

If you already own a home and are looking to save money, get a lower rate, or tap into the equity in your home, I can share the insider tips to find your best solutions and avoid the hassles and unnecessary paperwork.

If any of these scenarios apply to you, I can help.

Recommendations

Jason Sharon is a very professional man who genuinely cares about his clients. He is quick to respond to any questions one might have. I felt very confident using Jason for my recent refinance.
-A. Smith

He came highly recommended by a family member who has used him and his company several times. Jason did not disappoint me at all. He made the process easy for me as a senior citizen. I trust him to protect my interests in my home. Should I ever need his services again, I would not hesitate to call him

Jason and his assistant, Dina, were professional, responsive, and friendly. They helped us secure a lower interest rate and avoid excessive fees. Jason took personal accountability to work with the lender to correct a discrepancy with our loan documents on the lender's end that delayed our refinance. Jason and Dina went the extra mile to ensure that we were well informed throughout our refinance. It was a pleasure working with them and I've already recommended Jason to my friends.
